

Messiah's Auxiliary Programs

Auxiliary funds are collected from programs that Messiah participates in. Individuals who use these products or shop at these stores are encouraged to register so that Messiah School can receive those non-profit gifts that retailers give out each year. Many companies automatically give money back to the communities they serve. Some allow their customers the opportunity to designate where these community funds go. If the consumers choose not to designate these funds they will be divided among groups that have designated the funds. Therefore, we encourage individuals who use these products or shop at these stores to designate Messiah Lutheran School as their non-profit organization.

Messiah has limited the number of programs that we participate in. If anyone has questions or wishes more information about these programs speak to the principal.

The cash is used to fund field trips, school parties, purchase new equipment, and other activities for the students. Your time to register your card or clip the label is greatly appreciated. Thank You!

In this digital age there are always upgrades. Used **cameras**, printing **cartridges**, **old cell phones** and **tablets**, we receive funds for all of your old and used devices. Leave any that you may have on the principal's desk.
